

ALINA MAHNOOR

FULL STACK DEVELOPER

Karachi, Pakistan | +92 321 2989975 | alinaawan59@gmail.com

PROFILE

Full stack developer and final-semester Computer Science student (IQRA University) who builds complete, working applications end to end — from responsive interfaces to database-backed logic. Delivered ShopIQ, a full e-commerce platform on ASP.NET MVC with real-time cart and checkout flows, alongside PHP/MySQL and machine learning projects covering the range from frontend UI to backend architecture. Currently developing ZimalFootwear, a live e-commerce site, set to launch within the week. Solid grip on OOP, data structures, and database design, with the speed to pick up new stacks and ship working features fast.

CORE SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Bootstrap, Responsive Design

Backend: ASP.NET MVC, PHP, Node.js (Basic), RESTful APIs, ADO.NET

Databases: MySQL, SQL Server, Oracle, MongoDB

Languages: JavaScript, PHP, C#, Python, Java, SQL

Tools: Visual Studio, Git, MS Office, Power BI

Foundations: OOP, Data Structures & Algorithms, MVC Architecture, Database Design

EXPERIENCE

Design Development Intern — 24TECH *Mar 2026 – May 2026 (3 months)*

- Maintained and updated the company's live client website on a daily basis, handling content publishing and routine site updates.
- Monitored site performance and layout consistency, identifying and fixing minor visual and content issues promptly.
- Collaborated with the design and development team to keep the digital presence accurate, functional, and up to date.

Design Development Intern — Saffron Tex *Jul 2025 – Sep 2025 (2 months)*

- Contributed to visual design and promotional material for the company website as part of the Design Development team.
- Collaborated on wireframes and prototypes aimed at improving site navigation and overall user engagement.
- Maintained brand consistency, typography standards, and visual quality across web pages.

FEATURED PROJECTS

ShopIQ — Full E-commerce Platform *ASP.NET MVC, C#, SQL Server, Bootstrap*

- Architected and built a complete e-commerce platform end-to-end, from database schema to a fully responsive frontend.
- Implemented category-based browsing, shopping cart, checkout, and user authentication using ADO.NET and session management.
- Delivered a polished, responsive UI with Bootstrap 5, HTML5, CSS3, and custom JavaScript interactivity.

ZimalFootwear — E-commerce Website *HTML5, CSS3, JavaScript | Launching within a week*

- Building a footwear brand website from the ground up — product presentation, layout, and fully responsive design across devices.
- Handling both the visual frontend and the underlying site structure independently, end to end.

Full Stack Web Application *HTML, CSS, JavaScript, PHP, MySQL*

- Built a complete application connecting a responsive frontend to a relational MySQL backend.
- Implemented data validation and structured records to maintain data integrity across the stack.

Rainfall Prediction System *Python, Scikit-learn, Pandas, NumPy*

- Built an end-to-end machine learning pipeline — data cleaning, feature selection, and model evaluation — to predict rainfall from historical weather data.

Movie Ticket Reservation System *SQL / Oracle*

- Designed a relational database schema ensuring data consistency and accurate record management.

Travel Management System *Java, OOP*

- Applied object-oriented design principles to build a modular travel booking application.

Classroom Safety Monitoring System | FYP *Python, YOLOv11, OpenCV, Flask, PyTorch, Roboflow, HTML/CSS/JavaScript*

- Developed a real-time AI-based system using YOLOv11 for fire and gun detection through live camera feeds.
- Trained and validated a custom object-detection model using an annotated Roboflow dataset.
- Developed a Flask web dashboard with live streaming, authentication, detection counts, and threat alerts.

EDUCATION

BS Computer Science IQRA University, Karachi | 2023 – 2027 (Currently in Final Semester)

CERTIFICATIONS

- Diploma in Information Technology (DIT) — Aptech Garden Centre
- IT Diploma — Noor College

LANGUAGES

English (Professional Proficiency) | Urdu (Native)
